

Knock the "L" Out of Slave-- SAVE!

Make up your mind that you're not going to slave all your life, by making it a rule to put aside so much each week to take care of you later on.

Just think of the old folks that you know, whose happiness and whose very life itself, depend upon the generosity of some relative. Make up your mind that you're not going to be that way, when you get old. Save now and be independent later on.

COUNTY SCHOOLS OF CITIZENSHIP ARE NOW BEING PLANNED

Women's Clubs Plan Schools of Citizenship in Every County Seat in Kentucky to Educate the Women.

Schools for training women in citizenship, to be held first in Louisville and Lexington, and later in every county seat, county and voting precinct in the state, were recommended to the board of the Kentucky Federation of Woman's Clubs by the political science committee at the meeting held in Lexington Friday.

The proposed curriculum of the schools will include questions on the machinery of voting, principles and issues of political parties, local government, state government in Kentucky and the government of the United States. Instruction in smaller communities will be by outside help as the counties may be able to provide for.

The total number of women in Kentucky 21 years old and more, is estimated as 579,766 by Mrs. Christine Bradley South, of Frankfort, chairman of the political science committee of the federation. Of these 566,299 are white; 73,413 are negroes; 43 are Indians and 1 is Japanese.

As the beginning of the movement, the committee recommended one school for training in citizenship be held in Louisville the first week in November and another in Lexington the following week, both schools to be attended by representative women from each county in the state. As soon as possible similar schools are recommended for each county seat, with representative women from each voting precinct in the counties in attendance. The county schools should be followed by precinct schools for every woman in the precinct, the committee said.

Fall and Winter Brings on Aches and Pains

Many people suffer unnecessary pain by waiting for lumbago, backache or rheumatic pains to pass off naturally. Why not take prompt action and make a recovery like that described by J. R. Wilkinson, of Selma, O. "Lumbago struck me just as I got out of bed, so bad I couldn't stay on my feet. My wife bathed my back with Houstonia Liniment and covered it with a hot flannel cloth, and I began to get better at once, and in two hours time I got up and went to work."

In a few hours Houstonia will relieve practically every ache or pain. Its remarkable antiseptic qualities make it especially good for burns, cuts and bruises. It soothes while it heals. Be prepared in advance by securing a bottle of Houstonia Liniment (The Original Jones' Liniment), with Dr. Jones' picture on the yellow label \$1.00. Half size 50c, trial size 25c. IF WOMEN ONLY KNEW

What a Heap of Happiness It Would Bring to Maysville Homes.

Hard to do housework with an aching back. Brings you hours of misery at leisure or at work.

If women only knew the cause—that

Backache pains often come from weak kidneys. "Would save much needless woe. Doan's Kidney Pills are for weak kidneys."

Read what a Maysville citizen says: Mrs. R. W. Lauderdale, W. Second Street, says: "Two years ago I was suffering with kidney trouble and had been for a long time. I was nervous and dizzy and had severe headaches. My kidneys were too frequent in action and annoyed me greatly. I had a dull ache across the small of my back and my back was so lame at times that I could hardly bend one way or the other. Some one advised me to use Doan's Kidney Pills and I got a box at Wood & Son's Drug Store. They helped me at once and continued use entirely cured me of the trouble."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Lauderdale had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
